

FREMONT COUNTY WEED AND PEST CONTROL DISTRICT
450 N. SECOND ST. – ROOM 325
LANDER, WYOMING 82520
(307) 332-1052 • (307) 856-2192 Riverton • (307) 332-1056 Fax

District Projects Assistant Supervisor – Rewarding career in invasive species management preserving ecosystems, improving agriculture, and educating the public.

Lead a crew in remote and beautiful landscapes of western Wyoming while providing important yet challenging work in invasive weed management. Apply your knowledge and experience communicating invasive and pest species issues and organization accomplishments to the public. Organize and develop biological weed control programs for integrated weed management strategies.

Fremont County Weed and Pest District has been limiting the economic and environmental impacts of invasive species and agricultural pests since 1973. Our organization was recently recognized by the Public Lands Foundation for our work to advance and sustain community based stewardship of BLM lands. The District prides itself in providing a valuable service to the communities of Fremont County, WY while applying integrated pest management practices which consider the environment, the economy, and the well-being of our resources.

We are looking for a full time, benefited Assistant Supervisor to oversee specific District weed management projects, public outreach and education programs, and biological control programs within Fremont County, WY. Starting salary up to \$53,500 per year depending on education and experience.

- Competitive benefits
- Generous vacation and sick leave
- Four day work week (generally)
- Education and training opportunities

Successful candidates will have the option to be based at our Lander or Riverton, WY locations. Fremont County is located in west-central Wyoming next to the rugged Wind River Mountains and only two hours from Yellowstone and Grand Teton National Parks.

To apply, please send your cover letter, resume, three work related references, and applicable college transcripts to Aaron Foster at afoster@wyoming.com or mail to Fremont County Weed and Pest: ATTN: Aaron Foster, 450 North 2nd Street, Rm 325, Lander, WY 82520. For inquiries, please call 332-1052.

Closing Date: Open until filled
